Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

☐ No prior reports have been issued by the developer

☒ Changes made are as follows:

Pages 1, 2, 3, 6, 9, 10, 11, 14, 15, 16, 19 and 20, Exhibits A and B, and the Receipt for Final Public Report(s) and Notice of Right to Cancel, of the Final Public Report are changed by this Supplementary Public Report. Also, an additional page 2-A has been added by this Supplementary Public Report.

The Declaration of Condominium Property Regime, Condominium Map and Final Public Report have been amended as follows:

1. Apartment A has been changed from a greenhouse to a two-story farm dwelling.
2. A water tank (with pumps, filters, water lines and other appurtenant equipment) has been placed within Limited Common Element A, for the exclusive use of by the owner of Apartment A.
3. The foregoing changes are reflected on Exhibit "A (Revised)" to the Final Public Report which is attached hereto and made a part hereof and which is substituted for the original Exhibit "A" attached to the report.

Also, the first amendment to the Declaration is reflected on "Exhibit "B (Revised)" to the final Public Report which is attached hereto and made a part hereof and which is substituted for the original Exhibit "B" attached to the report.

**SPECIAL ATTENTION**

This is a CONDOMINIUM PROJECT, not a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and does not represent a legally subdivided lot. The lines on the Condominium Map dividing the land into limited common element land areas are for illustration purposes only and should not be construed to be formal subdivision lines.

This Public Report does not constitute an approval of the Project by the Real Estate Commission or any other government agency, nor does it ensure that all County codes, ordinances and subdivision have necessarily been complied with.

1. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property. Apartment A is an existing greenhouse, and Apartment B is an existing farm dwelling.
2. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

3. In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example, if one owner builds or adds to a structure in a manner which violates height limits, size limit, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. BUYER SHOULD CONSULT WITH AN ATTORNEY CONCERNING THESE IMPORTANT RISKS.
4. At this time County water service is not available. Each apartment will be responsible for providing its own water service. Apartments A and B are each utilizing a water catchment system that includes a water tank, pumps, water filters, pipes and appurtenances. Declarant makes no warranties or representations as to the quality or quantity of water service or as to the adequacy of fire protection.
5. County sewer service is not available. The owner of each apartment shall be responsible for the cost of installing, maintaining, operating and/or replacing said apartment's septic system. This may include upgrading a cesspool to a septic system as required by the proper governmental agency. Prospective purchasers are urged to consult with an engineer concerning the requirements of said systems and the suitability of the site. The locations of each separate system appurtenant to each apartment are shown on the Condominium Map
6. The County of Maui Planning Department has recently adopted a strict enforcement policy requiring agriculture-zoned land to be used for only those agricultural uses permitted by HRS Section 205-4.5 and Maui County Code, Chapter 19.30A. Also, farm plans may be required. Dwellings may only be constructed and used as "farm dwellings". BUYER SHOULD CONSULT WITH AN ATTORNEY OR THE MAUI COUNTY PLANNING DEPARTMENT FOR ADDITIONAL INFORMATION.
7. Recently enacted State law prohibits all restrictions on agricultural uses and activities on agricultural zoned land. Any such restrictions are invalid if created after July, 2003. BUYER UNDERSTANDS THAT ACTIVITIES SUCH AS RAISING ANIMALS OR IRRIGATION AND FERTILIZATION OVERSPRAY ON NEARBY PROPERTIES MAY CAUSE NUISANCES AND INCONVENIENCES TO BUYER.
8. Under the current zoning ordinance, only one full size farm dwelling (which may be limited in size by the rules of the County of Maui) and one farm dwelling with a living area of 1000 square feet or less are permitted. Apartment A was designated as the apartment which is subject to the 1000 square feet limitation and Apartment B was designated as the full size farm dwelling. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

## II. CREATION OF THE CONDOMINIUM: CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests and other information relating to the condominium project.

The Declaration for this condominium is:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules**. The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

### **IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>All</u>	<u>                    </u>	<u>                    </u>
Structures	<u>All</u>	<u>                    </u>	<u>                    </u>
Lot	<u>Yes</u>	<u>                    </u>	<u>                    </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

☒ [X] described in Exhibit       A      .

☐ as follows:

\*Note: Land areas referenced herein are not legally subdivided lots

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration are:

☐ described in Exhibit \_\_\_\_\_.

☒ as follows: Apartment A shall have a 50% undivided interest and Apartment B shall have a 50% undivided interest (referred to as the "common interests") in all common elements of the Project and a said same respective share in all common profits and common expenses of the Project and for all other purposes, including voting.

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "B (Revised)" describes the encumbrances against the title contained in the title report dated September 28, 2005 and issued by Title Guaranty of Hawaii, Inc.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

☒ There are no blanket liens affecting title to the individual apartments.

☐ There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

**Type of Lien**

**Effect on Buyer's Interest and Deposit if Developer Defaults  
or Lien is Foreclosed Prior to Conveyance**

Buyer may lose his or her unit but buyer's deposit to be refunded, less any escrow cancellation fee.

All mortgage liens will be paid in full out of the proceeds of the sale of the first apartment and the apartments will be released from the liens at that time.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty are as follows:

1. **Building and Other Improvements**

For Apartment A and the water tank appurtenant to Apartment A, the general contractor will provide a warranty against structural defects for one year from July 17, 2005.

For Apartment B, the general contractor will provide a warranty against structural defects for one year from September 8, 2004.

For the Water Tank appurtenant to Apartment B, the general contractor will provide a warranty against structural defects for one year from October 19, 2004.

2. **Appliances:**

For Apartment A Developer will pass on to buyers all manufacturers warranties that have been provided for appliances.

For Apartment B Developer will pass on to buyers all manufacturers warranties which have been provided for appliances.

(But see item C.6 above concerning each apartment owner's right to alter, expand or relocate each apartment.)

#### IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

☐ not affiliated with the Developer ☐ the Developer or the Developer's affiliate  
☒ self-managed by the Association of Apartment Owners ☐ Other: \_\_\_\_\_

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit \_\_\_\_\_ C contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

☒ None ☐ Electricity ( \_\_\_\_\_ Common Elements Only \_\_\_\_\_ Common Elements & Apartments)  
☐ Gas ( \_\_\_\_\_ Common Elements Only \_\_\_\_\_ Common Elements & Apartments)  
☐ Water ☐ Sewer ☐ Television Cable

**C. Additional Information Not Covered Above**

1. Water. At this time County water service is not available. Each apartment will be responsible for providing its own water service. Apartments A and B are each utilizing a water catchment system that includes a water tank, pumps, water filters, pipes and appurtenances. Declarant makes no warranties or representations as to the quality or quantity of water service or as to the adequacy of fire protection.
2. Mailboxes. Apartment A and B shall have its own separate mailbox.
3. Sewer. County sewer service is not available. The owner of each apartment shall be responsible for the cost of installing, maintaining, operating and/or replacing said apartment's septic system. This may include upgrading a cesspool to a septic system as required by the proper governmental agency. Prospective purchasers are urged to consult with an engineer concerning the requirements of said systems and the suitability of the site. The locations of each separate system appurtenant to each apartment are shown on the Condominium Map.
4. Limitations. Under the current zoning ordinance, only one full size farm dwelling (which may be limited in size by the rules of the County of Maui) and one farm dwelling with a living area of 1000 square feet or less are permitted. Apartment A was designated as the apartment which is subject to the 1000 square feet limitation and Apartment B was designated as the full size farm dwelling. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.
5. Fire Protection. The property is subject to agreements with the County of Maui acknowledging that the County's fire protection facilities and water supply may be inadequate to protect the buildings in the event of fire. BUYER SHOULD CONSULT AN ENGINEER AND BUYER'S INSURANCE CARRIER IN ORDER TO EVALUATE THE RISKS AFFECTING THIS PROPERTY.
6. Rollback Taxes. The land may be subject to rollback real property taxes. The failure of an owner to observe restrictions on the use of the land may cancel the County dedication and special real property tax assessment. Please refer to the Director of Finance, County of Maui, for further information.
7. Agricultural Uses. The County of Maui Planning Department has recently adopted a strict enforcement policy requiring agriculture-zoned land to be used for only those agricultural uses permitted by HRS Section 205-4.5 and Maui County Code, Chapter 19.30A. Also, farm plans may be required. Dwellings may only be constructed and used as "farm dwellings". BUYER SHOULD CONSULT WITH AN ATTORNEY OR THE MAUI COUNTY PLANNING DEPARTMENT FOR ADDITIONAL INFORMATION.
8. Insurance. Hawaii Law requires that the Association of Apartment Owners carry liability insurance on the entire condominium as a common expense. Buyers are urged to review this requirement with their insurance advisors.
9. Agricultural Restrictions. Recently enacted State law prohibits all restrictions on agricultural uses and activities on agricultural zoned land. Any such restrictions are invalid if created after July, 2003. BUYER UNDERSTANDS THAT ACTIVITIES SUCH AS RAISING ANIMALS OR IRRIGATION AND FERTILIZATION OVERSPRAY ON NEARBY PROPERTIES MAY CAUSE NUISANCES AND INCONVENIENCES TO BUYER.

10. Zoning and Land Use Violations. In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example, if one owner builds or adds to a structure in a manner which violates height limits, size limit, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. BUYER SHOULD CONSULT WITH AN ATTORNEY CONCERNING THESE IMPORTANT RISKS.

11. Apartment B Construction. During the construction of Apartment B, the plans were amended to change the garage to a bedroom, a bedroom to a family room and a balcony to a bedroom, bathroom and covered lanai. Reference on the Condominium Map to "Existing" refers to those portions of the plan which were not changed in these alterations. The entire structure is newly constructed.

EACH BUYER IS ADVISED TO CONTACT THE APPROPRIATE GOVERNMENT AGENCIES TO DETERMINE SPECIFIC REQUIREMENTS FOR THIS PROPERTY, AND TO CONSULT WITH AN ATTORNEY AND OTHER APPROPRIATE PROFESSIONALS.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

EXHIBIT "B (Revised)"  
**Encumbrances against Title**

1. Real Property Taxes which may be due and owing. Reference is made to the Tax Assessor's Office, County of Maui.
2. Title to all mineral and metallic mines reserved to the State of Hawaii.
3. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Agreement of Sale, dated February 9, 1973, recorded in the State of Hawaii Bureau of Conveyances in Liber 8938 at page 314.

This agreement lays out the terms and conditions of the sale of land described as Lot 7 of the partition of Grant 771 to Hikiau. This lot 7 was then later subdivided into lots 7-A and 7-B. Lot 7-A is the land that is subject to the Glickman Condominium Property Regime.

4. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Private Water System Agreement, dated November 14, 1983, recorded in said Bureau in Liber 17530 at Page 616.

This agreement is with the County of Maui, through its Department of Water Supply. The owner of Lot 7 at that time was seeking to subdivide the property into Lots 7-A and 7-B. There was and is no county water service to the lot, therefore in order for the Department of Water Supply to approve the subdivision, the owner had to sign this agreement which, among other things, indemnified the County of Maui from any and all liability and claims resulting from lack of water service or fire protection to the lot. This agreement runs with the land and is applicable to all heirs, assigns, lienors, mortgagees, and successors in interest of the lot.

5. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Subdivision Agreement (Three Lots or Less), dated November 14, 1983, recorded in said Bureau in Liber 17679 at Page 84.

This agreement with the County of Maui grants the right to subdivide the property described as TMK (2) 2-7-030-006 into 3 lots or less, and among other things, defers roadway improvements until a later date.

6. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Farm Dwelling Agreement, dated November 14, 1983, recorded in said Bureau in Liber 17679 at Page 90.

In response to an agricultural subdivision, this agreement with the County of Maui, describes the rules and regulations regarding the building and maintenance of a farm dwelling on land designated Agricultural, and its accessory nature to agricultural activities on the land.

7. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Easement, dated April 17, 1989, recorded in said Bureau in Liber 23094 at Page 682.

This easement grants the right of access to the abutting Lot 7-B, across Limited Common Element B of the Glickman Condominium, as shown on the Condominium Map as "Access Easement 'A'".

8. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Unilateral Agreement and Declaration For Construction of a Farm Dwelling on Lands Zoned County Agricultural District or Designated State Agricultural District, dated December 10, 2003, recorded in said Bureau as Document No. 2004-017327.

This agreement creates a conditional approval of a building permit for a farm dwelling on agricultural land, emphasizing the fact that a farm dwelling is accessory to agricultural use of the property, and that the farm plan as designated in the application for building permit will be monitored by the County of Maui through its Department of Planning.

9. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in Declaration of Condominium Property Regime For "Glickman Condominium" Condominium Project, dated October 21, 2004, recorded in said Bureau as Document No. 2004-220489.

Said Declaration was amended by First Amendment to Declaration of Condominium Property Regime of Glickman Condominium And Of Condominium File Plan No. 3876, dated August 16, 2005 and recorded as Document No. 2005-171177.

10. The terms and provisions, including the failure to comply with any covenants, conditions and reservations, contained in By-Laws of the Association of Apartment Owners, dated October 21, 2004, recorded in said Bureau as Document No. 2004-220490.

11. Any lien (or claim of lien) for services, labor or material arising from an improvement or work related to the condominium land.

- b. Escrow will arrange for the purchaser to sign all necessary documents.
- c. The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Contract.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.
